

**TOWN OF HILTON HEAD ISLAND
REQUEST FOR BIDS
SURPLUS PROPERTY
FIRE APPARATUS**

The Town of Hilton Head Island SC is offering for sale two (2) surplus 1998 HME Ferrara 75' Aerial Quints as described in the "specification and bid" section of this solicitation. This surplus is the result of the recent purchase of two replacement Quints. The new apparatus are expected to be delivered to the Town and put in service by late August 2010.

The sale will be awarded to the bidder offering the highest purchase price to the Town for each apparatus. The minimum offer that will be accepted by the Town is \$65,000.00 for each apparatus. Any bids for less than that amount will be rejected as non-responsive. Once the highest bidder is notified they will have 10 days to provide a non refundable certified check for 50% of the purchase price. The remaining balance will be due upon delivery.

Sealed bids are due by 1:00 PM, 10 June 2010 and should be hand carried or delivered by traceable means to The Town of Hilton Head Island, One Town Center Court, Hilton Head Island SC 29928. No fax or email bids will be accepted. All bids should be clearly marked as "Surplus Apparatus Bids" attn: Tom Fultz Director Administrative Services.

The Town reserves the right to accept or reject any and all bids received as a result of this solicitation or to cancel it in part or in its entirety if it is in the best interest of the Town to do so.

This solicitation does not commit the Town to sell these apparatus or to pay for any costs incurred in the preparation of your bid. Your bid must be signed by an official authorized to bind the bidder.

The Town does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or in the provision of goods and services.

Both units are currently operating in front line service. They have been regularly maintained and are annually aerial tested and pump tested. Service records and testing result are available on site. Both apparatus are offered without equipment i.e. no hoses, nozzles, or loose equipment will be included. The apparatus can be physically inspected on 25 May 2010 at 9:00 AM at Fire and Rescue Headquarters 40 Summit Drive Hilton Head Island. Please contact Deputy Fire Chief Ed Boring at 843-247-3736 during normal business hours if you plan to view the trucks or for any other questions relating to these apparatus.

Both units are estimated to be available for delivery around August 31. The Town desires to remove these apparatus from Town ASAP but in no case will make them available prior to full implementation of replacement apparatus.

These units are offered as is there are no warranties expressed or implied.
